The staff member reporting the incident to the principal or the **Superintendent Director** should provide the name of the person(s) whom s/he believes to be responsible for the harassment and the nature of the harassing incident(s). A written summary of each such report is to be prepared promptly by the principal or **Superintendent Director** receiving the report, and the principal shall forward it to the Office of the **Superintendent Director**.

Each report received by the principal or the **Superintendent Director**, shall be investigated in a timely and confidential manner. Investigation of a complaint will normally include conferring with the parties involved and any named or apparent witnesses.
