

High School Division

Prepared by: Nicole Otte, Lawrence Courtney, Karin Graves

This Month's Highlights

Curriculum and Instruction

Staffing:

VU Recruitment Partner – Vincennes provided funding match. Position posted 10/27-11/7 and we will be interviewing end of this week.

Curriculum:

See approval items for Electronics and IT Early College.

Professional Development:

Dr. Edds and I met with Lynda Jackson, TCTW over Fall Break to seek assistance in planning the Strategic Plan.

TCTW

Teachers and Staff are working to develop Strategic plans for each of the five focus teams, and submit prior to Christmas Break.

CTE Innovations Grant

We informed principals this week regarding the availability of ICE (Industry Connections for Educators) Shadowing Experiences for any teacher from our sending school corporations. Teachers will be able to spend 1-5 days a local industry relating manufacturing to their classroom.

Career Pathway Specialist

Last week we hosted the College Day event, and students were able to attend four selected sessions from over 30 college representatives and learn about postsecondary opportunities.

Principal

Students:

- Paul Mitchell-Cosmetology School-several visits with students
- Auto Service & Auto Collision programs worked to raise 3500+ cans for Skills USA club/ Community Outreach Program. Students here donated all of the cans to the local food banks- Inner Faith Church in Greenwood off Graham/Earlywood
- NTHS-Induction of new students (18) taking place November, 12th 2014 at C9 with friends, teachers, principals, and community.
- Career visitation fieldtrip (Indiana Government Center) to Indianapolis, Friday, November 14th 2014 with Welding and Construction programs-For Indiana consultant counseling for: resumes, character, and opportunities meet future perspective employees. Been working on resumes, so students will get a chance to network and hand out their resumes for jobs.
- PBIS-Sandra Washburn-Bloomington, Indiana-Director for the State of Indiana –
- December 5th & 6th Lock Tight Night

Teachers:

We are into our second round of Teacher Observations. Going very well for all parties involved.

Principal:

- Great meeting last week with all of the principals(new ones)
- SPEA-IUPUI-School of Public Environmental Affairs
 - a. Luke Bickel, Director of Graduate and Executive Education Programs 317-278-0308 lbickel@iupui.edu

Student Services

MARKETING/RECRUITING

October 1, 2014, hosted Southport Middle School campus tours, students toured the campus for 45 minutes and then had lunch in the commons.

October 2, 2014 presented career and technical information about Central Nine to all 8th graders at Perry Meridian Middle school.

October 3, 2014 represented Central Nine Career Center at the Awesome Con Convention that was held at the Indianapolis Convention Center

October 28, 2014, represented Central Nine Career Center at the Center Grove High School parents meeting. Set up a display table, distributed brochures, and shared information about the school/programs.

October 30 & October 31, 2014. Hosted Greenwood Middle School (8th grade) campus tours.

ADMINISTRATION – HIGH SCHOOL OFFICE

Updated information on the Student Management System – Continued to remove students off the rosters that have been withdrawn.

Work with sending schools and students on enrollment issues

Supportive Services

October 27, 2014, assisted with the ASVAB interpretation sessions. (831 students completed ASVAB assessments)

Continued to work with Suzan Rogers, transitioning programs and responsibilities October 29, 2014, visited our Aviation students at Vincennes University Technology Center.

Met with both students and shared information about the supporting services that are available and addressed the monthly visitation schedule. Teacher is very supportive and encouraged the monthly visits to assist with better student management.
