

REVISED POLICY - VOL. 27, NO. 1

USE OF MEDICATIONS

| The ~~School~~ **Governing** Board shall not be responsible for the diagnosis and treatment of student illness. The administration of prescribed medication and/or medically-prescribed treatments to a student during school hours will be permitted only when failure to do so would jeopardize the health of the student, the student would not be able to attend school if the medication or treatment were not made available during school hours, or the child is disabled and requires medication to benefit from his/her educational program.

For purposes of this policy, "medication" shall include all medicines including those prescribed by a physician and any nonprescribed (over-the-counter) drugs, preparations, and/or remedies. "Treatment" refers both to the manner in which a medication is administered and to health-care procedures which require special training, such as catheterization or intravenous or intramuscular injection.

Before any prescribed medication or treatment may be administered to any student during school hours, the Board shall require the written prescription from the child's physician accompanied by the written authorization of the parent (see Form 5330 F1). This document shall be kept on file in the office of the | Principal, and made available to the persons authorized to administer medication or treatment. The prescription must be in its original container, labeled with the student's name and the exact dosage. At no time is the school to administer a dosage other than that authorized by the physician's prescription.

| [X] Both must also authorize any self-medication by the student. In addition, the physician's statement authorizing self-medication must include the information set forth in Policy 5330.01 - Self-Administered Medication.

Before any nonprescribed medication or treatment may be administered, the Board shall require the prior written consent of the parent (see Form 5330 F1a and Form 5330 F1b). These documents shall be kept in the office of the | Principal. Except in the case of authorized self-medication, all forms of medication shall be administered by the Corporation in accordance with | the ~~Superintendent~~ **Executive Director**'s guidelines. No student is allowed to provide or sell any type of over-the-counter medication to another student.

Violations of this rule will be considered violations of Policy 5530 – Drug Prevention and of the Student Code of Conduct/Student Discipline Code.

Students who may require administration of an emergency medication may have such medication stored in the \_\_\_\_\_ **Principal's** \_\_\_\_\_ office and administered in accord with this policy. However, if authorization (Form 5330 F3) for self-medication has been provided by the parent and physician which complies with the requirements of Policy 5330.01 - Self-Administered Medication, then the student may retain possession of the self-administered medications.

~~{ } — The Corporation or a school in the Corporation may fill a prescription for auto-injectable epinephrine and store the auto-injectable epinephrine in a school in the Corporation if a health care provider who is licensed in Indiana and whose scope of practice includes the prescribing of medication writes the prescription for auto-injectable epinephrine for the school or Corporation. The school shall store the auto-injectable epinephrine in a safe location in which only school personnel have access.~~

~~A school nurse may administer auto-injectable epinephrine obtained via a prescription written for the school or Corporation by a health care provider who is licensed in Indiana and whose scope of practice includes the prescribing of medication to any of the following individuals if the individual is demonstrating signs or symptoms of life-threatening anaphylaxis and the individual does not have epinephrine at the school or the individual's prescription is not available:~~

- ~~A. students at the school~~
- ~~B. school personnel~~
- ~~C. visitors at the school~~
