The **Adult Basic and Continuing Education** Program provided or will provide services for over 535 students since July 1, 2012. These services have generated over \$57,399 in revenue. Central Nine continues to the residents of our district with services related to GED Testing, GED/ESL classes, GED Practice Testing, Proctoring Services, NCCT Testing, and Adult Continuing Education on-campus and online courses.

The **Central Nine Adult Education Division** is pleased to report that we will begin offering GED preparation courses at the Martinsville Public Library, Job Corps, and Edinburgh Correctional Facility at Camp Atterbury. The class in Martinsville will be mostly funded by the Central Indiana Regional Workforce Board (Region 5) and the Edinburgh Correctional Facility class will be mostly funded by the Indiana Department of Corrections. These new partnerships will provide GED preparation classes for the residents of these areas. **Central Nine's Adult Basic Education Program** provided adult basic education services to over 784 adult learners during the 2011-12 school year.
