If we are going to donate this lathe we need to get it on the board agenda for July.

Subject: Brake lathe donation

To: John Showalter <jshowalter@central9.k12.in.us>, William Kovach <wkovach@central9.k12.in.us>

Good morning!! I wanted to let you know that we would like to donate 1 of our old brake lathes to another school. This school is The Excel Center University Heights: <https://excelcenter.org/> They are a public charter school (free to students) and they have added an ASE automotive course to their curriculum. If this donation is approved, they will set up to pick them up sometime throughout the summer.

Let me know if this donation is possible. Thank you!!!
