Advisory Board Banquet

The return to an in-person Advisory Board Banquet was a success! Boards met in person and enjoyed a feast prepared by our Culinary Arts students. Dr. William Kovach and Mr. Mike Quaranta visited each Advisory Board meeting to thank the members and provide information about our Comprehensive Local Needs Assessment.

Professional Learning Communities

Instructors took part in a full day Professional Learning Community workshop. Teachers worked in teams to begin the process with a focus on student learning and success. Mr. Quaranta will work with team leaders and the Guiding Coalition to develop a process for implementing PLCs successfully at Central Nine.

Program Guide 2022-2023

Mr. Quaranta is working with Mrs. Tiffany Bickerstaff and instructor to finalize the Central Nine Program Guide for the 2022-2023 school year. With dual credit and NLPS standards being so fluid, a QR code will be created for each program where updates can happen live. This document should be published in November.

Evaluation

Mrs. Michelle Augustine is in the middle of Coaching Sessions with instructors. Mr. Preda and Mr. Quaranta have started formal observations with those instructors who have already gone through the initial coaching session process with Mrs. Augustine.

Student Services staff is continuing to work with partner schools to develop creative ways to recruit for next school year. Student Services staff has visited classrooms to assist in dual credit for Ivy Tech, Ball State University, Vincennes University and Trine University enrollment. Student Services Coordinators are meeting with students who are in crisis and/or having various other issues. We have been fortunate to have been invited to a few homecoming parades with our wrapped truck and trailer and normally we stay and tailgate (talk to fans as they come and go) for the first half of the ballgame.

Administration – Student Services Office

Student Services staff are making Count Day preparations in order to submit data to the state in October. Student Services staff is also assisting in the preparations for the CLNA paperwork submission to the state.

Supportive Services

Student Services Coordinators continue to host parent/teacher conferences as the need arises. Seniors have learned about and opted-into the Governor's Work Ethic Certificate program. Dual credit enrollment continues.
