*May 6, 2011*

*Dear Ms. Donaldson,*

*After much consideration I have decided to resign my ABE Intake Coordinator Position effective June 30, 2011.*

*I have had the opportunity to work with other educators across the State during the nearly twenty years that I have held this position. I will certainly miss the collaboration; however I feel that for personal reasons it is best that I resign the ABE Coordinator position at this time.*

*Sincerely,*

*Nancy Stoddard*
