REVISED POLICY - VOL. 35, NO. 1 - NOVEMBER 2022

8210 - SCHOOL CALENDAR

The Board of Managers recognizes that the preparation of a calendar for the instructional program of the Cooperative's schools is necessary for orderly educational planning and for the efficient operation of the Cooperative.

The total number of days when the Cooperative's schools will be in session for instructional purposes shall be 180, **[Drafting Note: insert the number of days elected by the Board]** and for purposes of receiving State school aid, such days will number no fewer than 180. A maximum of three (3) virtual instruction days may be used to meet the 180 day requirement unless: 1) the virtual school day includes teacher-directed synchronous instruction for at least fifty percent (50%) of the school day, or 2) a waiver is requested and granted.

Unless a waiver is obtained from the State Department of Education, all days lost due to snow, fire, epidemics, health conditions, et cetera etc. cannot be counted as a part of the minimum days of instruction for State aid and must be made up by an in-person day or an eLearning/virtual instruction day that meets the standards set by the State Department of Education provided and complies with State law.

The Director shall submit to the State Department of Education the total number of actual instructional days no later than June 15th of each year.
