Sherene Donaldson
Curriculum Director
Chief Examiner
Central Nine Career Center

Dear Ms. Donaldson

Please accept my resignation as examiner for GED tests at Central Nine. My wife and I are going to be spending the majority of the year in Florida. Therefore I will not be able to continue working for you and Central Nine. I have enjoyed the seven years at Central Nine.

I would like to continue as an examiner in Florida. A letter stating that I left in good standing would be appreciated.

Thank you in advance

William Faucett
