This Month's Highlights

The **Central Nine Adult Education Division** is pleased to report that the Region 5 Adult Education Consortium has approved Central Nine to provide adult education classes within the M.S.D. of Martinsville. This partnership will provide GED preparation classes for the adult learners within the city of Martinsville, IN.

Central Nine's Adult Basic Education Program held its 2012 GED Graduation on Wednesday, June 20, 2012 at Greenwood High School. Central Nine awarded over 60 adult learners with certificates of accomplishments for earning their GED at Central Nine Career Center. The ceremony was well attended with over sixty graduates and 500+ guests. This ceremony was by far the most attended in the history of Central Nine Career Center. Graduates were presented with congratulatory Governor Mitch Daniels and gifts from MedTech College.

Michelle Turner,
former GED Students
and GED Graduate,
spoke to the graduates.

The **Adult Basic and Continuing Education** Program provided or will provide services for over 246 students during the months of June and August. These services have generated over \$23,622 in revenue. Since July 1, 2011, over 1,919 adult learners have been provided with services related to GED Testing, GED/ESL classes, GED Practice Testing, Proctoring Services, NCCT Testing, and Adult Continuing Education on-campus and online courses. These services have generated over \$222,875 in revenue.

Central Nine's 2011-12 Adult Basic Education Program has come to a close and we are looking forward to the start of the 2012-13 program year. Central Nine's adult basic education services has grown over the past few years and looks to expand with the addition of several new locations. Some of these locations include one ESL and one GED class in Indianapolis, one additional GED class in Beech Grove, one GED class in Edinburgh. The adult education program has drafted a new units-based curriculum for all GED classes that will be implemented this fall. All GED and ESL faculty and staff will participate in training sessions provided by the Indiana Department of Workforce Development in order to learn how to use the InTERS online student information system.
