Terms & Conditions

- * Teams must consist of 3-6 students.
- * Teams must bring their own transmitter/controller, receiver, charger, and extra batteries.
- * Must have an adult mentor/teacher in attendance during the entire event.
- * Each team member agrees to bring at least one non-perishable food item that is not expired.
- * Teams are not allowed to leave the premises or face elimination from the contest.
- * No outside food & drinks will be permitted. (Concessions will be provided.)
- * Teams will need to inform us of any team member with food allergies upon registration.
- * Any student who violates the rules will cause his/her entire team to forfeit participation in the rest of the competition.
- * A \$35 registration fee is required to attend the event.
- * Teams will keep the completed robot & remainder of the robotics kit at the end of the competition.
