PUBLIC ATTENDANCE AT SCHOOL EVENTS

The Board holds the legal authority to bar the attendance of or remove any person whose conduct may constitute a disruption at a school event. School administrators have the authority to call law enforcement officials if a person violates posted regulations or does not leave school property when requested. They are also authorized to use detectors and other devices to better ensure the safety and well-being of participants and visitors.

If a student or adult is asked to leave or is removed from a school event, no admission fees shall be refunded.

No qualified person with a disability will, because the Corporation Career Center's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the Corporation Career Center will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the Corporation Career Center is committed to operating its programs and activities so that they are readily accessible to persons with disabilities. This includes, but is not limited to, providing accommodations to parents with disabilities who desire access to their child's educational program or meetings pertinent thereto.

Individuals with disabilities have an equal opportunity to purchase tickets for events that have been sanctioned or approved by the Board in accordance with the provisions of the Americans with Disabilities Act, as amended.

Further, in accordance with the provisions of the Americans with Disabilities Act, as amended, the Board shall permit individuals with disabilities to be accompanied by their service animals in all areas of the District's facilities where members of the public, as participants in services, programs or activities, or as invitees, are allowed to go (see also AG 9160B Policy 8390 and AG 8390).

The Board is aware of the increasing desire of many parents and other members of an audience to make audio and/or video recordings of school events.

Such recordings can be made by parents or other members of the audience without restriction if the performance is not of copyrighted material. However, if the performance is of copyrighted material, recording can be made if the appropriate license authorizing such recordings has been secured in advance by the Corporation Career Center. If the performance is of copyrighted material and the necessary license has not been secured in advance by the Corporation Career Center, the audience shall be advised before the performance begins that audio and/or video recordings that will be re-broadcast or distributed in any way, such as posting on the internet, are prohibited.

The Board authorizes the Superintendent Director to establish rules and procedures governing the use of non Corporation Career Center audio/visual recording equipment at any Corporation Career Center-sponsored event or activity. Such rules are to be distributed in such a manner that members of the audience who wish to record the event are aware of the rules early enough to make proper arrangements to obtain their recordings without causing delay or disruption to an activity.
