

High School Division

Prepared by: _____ Nicole Otte, Lawrence Courtney, Renae Fife

This Month's Highlights

Curriculum and Instruction

Staffing:

- Tiffany Swopes, new culinary arts instructor, has been doing a great job of getting students back in the kitchen, as well as preparing them for the ServSafe certification exam.
- Tim Anderson, Diesel Service Technology, 2014-15 school year
- We posted the following positions on Friday 5/2/14: Auto Service (Vern Huddleson retiring after 20 years of teaching at Central Nine) and Health Science I (David Blackwell resignation at the end of the year). Applications will close on Friday 5/16/14, and we hope to conduct interviews and have the positions filled by the end of the school year.
- Dan Everett, Construction Technology, will resign effective July 1. He has accepted a position with Walker Career Center. We will post this position as soon as possible.

Technology Centers that Work:

We received our Technical Assistance Visit from TCTW April 28-30. Please see separate document for Exit Report findings.

Curriculum:

Sending schools have been submitting their course inventory change forms (separate documents) for 2014-15. We currently have Course Changes from the following:

- Beech Grove
- Central Nine
- Greenwood
- Indian Creek
- Whiteland

The remainder of the forms will be submitted prior to June's Governing Board meeting. All Governing Board approved forms are due to DWD by July 1.

Principal

Students:

- Awards Day Ceremony with students, staff, parents, family, friends, sending school administration, and community May, 8th
- Student Field trips to:
 - Midwest Technical Institute (Brownsburg)
 - Vincennes University

- Mckenzie Career Center-Lawrence Township (05/13/14)

Indiana State University Update:

- Finished my two classes
 - Law/Legal Aspects
 - Principles of Educational Leadership

Guidance

Enrollment numbers are changing daily. Current numbers can be found (05/06/2014 – 1204) at:

<https://docs.google.com/a/central9.k12.in.us/spreadsheet/ccc?key=0AmxjvgL6Kr1-dERNd3F6Q0dvc3dTRXdla0piQm5HTGc&usp=sharing>.

The monthly counselor meeting took place on Friday, May 2. Middle school counselors, teachers, and administration were invited for a special meeting to raise awareness regarding our efforts in partnership with Endress + Hauser. Our guests were also taken to view Paul Mitchell's facilities as well as participate in a complete tour of the career center. This event went well.

Enrollment & Achievement Specialist:

Career and Placement:

- Continued with advisement for students on post-secondary options.
- Chaperoned field trips:
 - Midwest Technical Institute – April 23, 2014 (33 students from the Computer Programming, Biomedical, Electronics, Welding, and Dental programs).
 - Vincennes University – April 28, 2014 (28 students from the Computer Programming, Auto Collision, Criminal Justice, Horticulture/Landscaping, Health Careers, and EMT programs)

Special Projects:

- Hosted the Career Fair – Post Secondary options. Facilitated the panel discussion. Panelist from Indiana Youth Institute, ITT Technical Institute, Ivy Tech Community College, and Work One shared information about services and other opportunities.
- National HOSA Conference – Judge the writing competition. Individually responsible for reviewing and judging writing essays from 28 participants.

Intervention:

- Continued with intervention with students due to failing classes and attendance.
- Continued assisting the Principal with discipline.
