**REVISED POLICY – VOL. 26, NO. 1**

INVESTMENT INCOME

The School Board authorizes the Business Manager or Director to make investments of available monies from the several funds of the Corporation in:

☒ bonds, bills, or notes of the United States; obligations, the principal and interest of which are fully guaranteed by the United States; or obligations of the State;

☒ certificates of deposit issued by financial institutions organized and authorized to operate in this State;

☒ commercial paper rated prime 1 or prime 2 at the time of purchase and maturing not more than 270 days after the date of purchase;

☐ \_\_\_\_\_.

☒ The purpose of the investments is to maximize the returns on the Corporation's excess cash balances consistent with safety of those monies and with the desired liquidity of the investments.

☒ Investments in U.S. Treasury securities and those other securities completely guaranteed by the Treasury as to payment of principal and interest may be purchased in any dollar amount up to 100% of the available reserves.

☒ Investments in other types of authorized securities may be made with the provision that no more than ten percent (10%) of the total current investment portfolio consists of one (1) type of security.

☒ All investments must mature or be redeemable within 2 years of the date of purchase, not to exceed two (2) years.

☒ The Business Manager is authorized to contract with a depository for the operation of a cash management system under the following conditions:

☒ the contract is in writing
