STEM Camp – We will be welcoming 100 Middle School Students to join us for the It's Alive! Fall Break STEM Camp Oct. 19-23. Our spots filled up in just one week, and we currently have a waiting list of over 50 students. Students will be working on Science, Technology, Engineering, and Math Projects, as well as touring Manufacturing and Technology facilities for the week.

TCTW - Upcoming Boot Camps:

Tuesday, November 3, 2015 (AM) Franklin Community

Thursday, November 12, 2015 (PM) Center Grove

Professional Development:

The team of Nicole Otte, Glenn Weil, Jeff West, Trudy Holtsclaw, Teresa Overby, and Jenny Caviness attended a Skyward Professional Development conference on Sept. 23.

Our new and newer teachers, as well as a couple of veterans and other staff members attended the Indiana ACTE (Association for Career & Technical Education) Professional Development Conference Sept. 24-26 in Indianapolis. Those in attendance were: Tom Jacobs, Karin Graves, Chanel Thompson, Roger Fields, Frank Wormann, Dr. Troiano, Jason Wiley, Ed Callico, and Robert Briones. The teachers attended sessions that were required for their Workplace Specialist licensure, as well as breakout sessions on topics that were of interest.

Criminal Justice Instructors, Roger Fields & Chanel Thompson visiting with other teachers during a mini session.

Jason Wiley (Welding Instructor) sharing his work based learning experience with other educators at conference.

Ms. Karin Graves (Student Service Coordinator) did a presentation on Promoting & Marketing your class, school, and programs.

Principal

Students:

Lots of positive and engaging activities taking place with students and teachers here at Central Nine Career Center right before Fall Break!

Medical Assisting:

Kaplan Career Coach working with our students on taking care of patients with medicine, team building, communication, and helping to build portfolios for the future.

Auto Collision:

Students from the Auto Collision classes both AM & PM on their trip to Chicago!

Auto Collision Accomplishments by our students while attending Chicago Land Speedway:

- 1) Logan Brown won a \$5,000 Snap On Tool Chest with Snap On Tools.
- 2) Collin Camden won a \$900 Snap On Grinder.
- 3) Caleb Dowell won a \$300 Pneumatic File.
- 4) William Murphy won a \$300 Pneumatic File.
- 5) Matthew McDermitt won a \$900 Snap On Grinder and Miniature Snap On Toolbox.
- 6) Kellie Huggler won a Chicagoland Gift Bag with "T" shirt, Playing Cards, Can Coozie, and Chicagoland Banner.

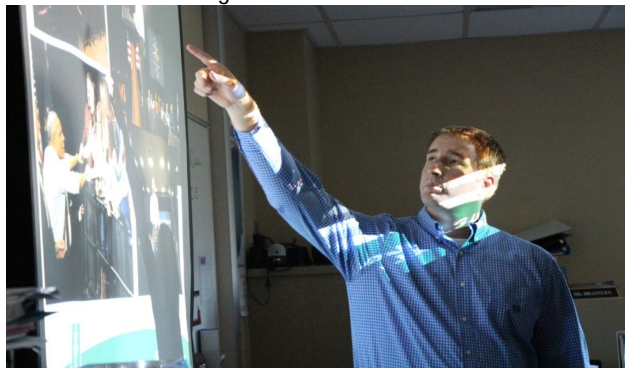

All students received a Tech Uniform Shirt, Safety Glasses, Lunch, VIP NASCAR Pit Pass and many other gifts. Students did real and mock job interviews, got to talk with NASCAR Driver Joey Logano and interacted with many of the Collision Repair Industry Leaders.

Repair Technology students in the VIP Pit at Chicago Land Speedway!

Work-Based Learning:

IVY Tech representative Chris Ponsler, visited with Estelle Brantley's PCI-Work Based Learning students about the benefits of attending IVY Tech and careers.

Pre-Pharmacy:

Dr. Richard Troiano doing a demonstration on stitching with his Pre-Pharmacy students during class time.

Renae Fife (Literacy Enrichment) & Joe Cougill (Math/Science Integration) helping out with Southport middle students during their tour of Central Nine Career Center.

Promotion at Festivals:

Mr. Jacobs, having a conversation with kids during the Bargersville Fall Festival event. Mr. Jacobs was out promoting C9 to the community as well as this weekend Saturday, October 3rd, 2015 at the Franklin Fall Festival.

Principal's Corner:

Over the last month, I have visited with our alternative schools to continue making the connections with the directors and the students who attend C9 from the academies. I want to make sure the directors do not feel left on information at C9 regarding their students and/or families. "Bridging The Gap".

Student Services

MARKETING/RECRUITING

Glenn and Karin have scheduled several events (tours and PLACE program) for many of the sending schools and middle schools. Glen and Karin have begun classroom presentations for several of the sending schools.

ADMINISTRATION – HIGH SCHOOL OFFICE

Karin and Glenn are monitoring absenteeism and contacting schools to provide support and continuing to work on student records management with Skyward. Glen and Karin continue to visit off-site programs to help with better communications and help students stay connected to C9.

SUPPORTIVE SERVICES

Karin and Glenn continue to provide support services to the student population regarding family crisis, financial hardship, etc. Met with parents, administrations staff, and students.
