This Month's Highlights

Curriculum and Instruction

Staffing:

NO STAFFING CHANGES

#IamCTEIndiana Campaign:

All this month, we are highlighting, as a state, all the great things that CTE provides. Week 1 – Current Students, Week 2 – Business/Industry Partners, Week 3 – Former Students, Week 4 - Teachers

Aspire Johnson County:

At the February 24 Large Group Aspire Meeting, C9 and Ivy Tech will host a former CTE Student Panel at 8:30 at the Johnson County Museum. Former students from both institutions will be sharing their success stories and how CTE impacted their lives and careers.

Professional Development:

Nicole Otte and three teachers (Robert Briones, Ed Callico, and Chanel Thompson) all attended the TCTW Leadership Forum in Charleston, SC Feb 1-4. The group was able to tour Boeing, as well as develop a project that they will be able to implement into their program by the end of the year. Conference organizers have asked these teachers to return in the summer to present their projects at the HSTW Summer Conference.

Chef Clint Smith

-Culinary Arts

Make A Wish foundation sent Central Nine and Chef Clint Smith's class an appreciation certificate for their dedication with "Sauce for a Cause" to help better those children with life-threatening medical conditions.

Frank Wormann

-Construction Trades

Students were being shown how to properly measure and install shingles onto a roof. The instructor also taught students the proper way of removing shingles from a house or any roof needing repaired.

Bill Clark/Steve Owen

-Automotive Service

Students were conducting their daily and morning tool room inspection for points. Students are to make sure every piece of tool and equipment used are properly restored in its rightful area/place. Teacher are working with students on responsibility, accountability, integrity, communication, teamwork, and leadership skills for the real world experiences and internships.

Lisa Pfeiffer

-Medical Assisting

Students were in pairs practicing with one another proper assessment techniques for taking vital signs(Body Temperature, Pulse Rate, Respiration Rate, & Blood Pressure) when patients visit their doctor's office. Students also worked on medical abbreviations, and short hand scripture.

Principal:

John Showalter and I will be attending the 1st annual (CRASE) event February 10th, 2016 at the Indiana State Police Museum. The workshop is in coordination with the Indiana State Police and United States Attorney's Office of Northern & Southern Districts in Indiana. The workshop being held is in lieu of the 1st semester shootings taking place around the country in schools. **The course is designed and built to Avoid, Deny, Defend strategy developed by ALERRT in 2004, provides strategies, guidance and a proven plan for surviving an active shooter event.** Topics include the history and prevalence of active shooter events, the role of professional guardians, civilian response options, medical issues, and drills. Participants will receive a manual and Power Point presentation suitable for use in their own school settings.
