~~The food service program will comply with Federal and State regulations pertaining to the selection, preparation, consumption, and disposal of food and beverages, including but not limited to the current USDA school meal pattern requirements and the USDA Smart Snacks in School nutrition standards, as well as to the fiscal management of the program. In addition, as required by law, a food safety program that is based on the principles of the Hazard Analysis and Critical Control Point (HACCP) system shall be implemented with the intent of preventing food-borne illnesses. For added safety and security, access to the facility and the food stored and prepared therein shall be limited to food service program staff and other authorized persons.~~

~~Substitutions to the standard meal requirements shall be made, at no additional charge, for students for whom a health care provider who has prescriptive authority in the State of Indiana has provided medical certification that the student has a disability that restricts his/her diet, in accordance with the criteria set forth in 7-C.F.R. Part 15b. To qualify for such substitutions the medical certification must identify:~~

- ~~A. the student's disability and the major life activity affected by the disability;~~
- ~~B. an explanation of why the disability affects the student's diet; and~~
- ~~C. the food(s) to be omitted from the student's diet and the food or choice of foods that must be substituted (e.g., caloric modifications or use of liquid nutritive formula).~~

~~[] On a case-by-case basis, substitutions to the standard meal requirements may be made, at no additional charge, for students who are not "disabled persons," but have a signed statement from a qualified medical authority that the student cannot consume certain food items due to medical or other special dietary needs. To qualify for such consideration and substitutions the medical statement must identify:~~

- ~~A. the medical or dietary need that restricts the student's diet; and~~
- ~~B. the food(s) to be omitted from the student's diet and the food(s) or choice of foods that may be substituted.~~

~~For non-disabled students who need a nutritionally equivalent milk substitute, only a signed request by a parent or guardian is required.~~

~~Lunches sold by the school may be purchased by students and staff members and community residents in accordance with the procedures established by the Superintendent.~~

~~The operation and supervision of the food service program is the responsibility of the _____ . Food services will be operated on a self-supporting basis with revenue from students, staff, Federal reimbursement, and surplus food. The Board will assist the program by furnishing available space, initial major equipment, and utensils.~~

~~In accordance with Federal law, _____ will take such actions as are necessary to obtain a minimum of two (2) food safety inspections per school year, which are conducted by the State or local governmental agency responsible for food safety inspections. The report of the most recent inspection will be posted in a publicly visible location, and a copy of the report will be available upon request. **[Please note: Schools participating in more than one (1) child nutrition program are only required to obtain two (2) food safety inspections per school year if the nutrition programs offered use the same facilities for the preparation and service of meals. Also, the requirement for two (2) inspections does not apply to schools that only offer the Special Milk Program.]**~~
