

High School Division

Prepared by: Nicole Otte, Lawrence Courtney, Janise Stone, Glenn Weil

This Month's Highlights

Curriculum and Instruction

Staffing: Interviews – WBL – Thursday afternoon, Exercise Science, Friday afternoon

MakerSpace Grant Submission: C9 and its team decided to hold off on submission of the MakerSpace grant, with plans to reconvene for future needs, or if other grants become available. The grant amount didn't warrant the time that would have been spent in submitting a final application. By submitting an initial application, all team members have access to the CTE Makeover Challenge/MakerSpace Resources.

Principal

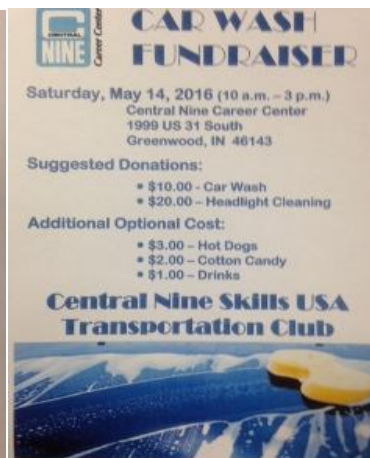

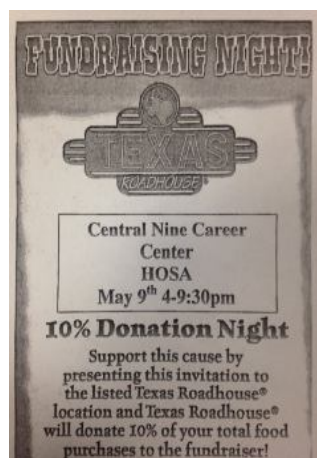

Students & Teachers: Activities & Engagement

First Generation-Ms. Janise Stone & Mr. Lawrence Courtney

We celebrated with the students for their 8 week course work and accomplishments preparing for life after high school as they enter into the world of post-secondary education. Students did a wonderful job interacting with each other as well as coordinators throughout the entire 8 week course. During their celebration for completing the course work, Ms. Stone invited a panel of former 1st Generation speakers to elaborate on their experiences and what it meant to be the 1st person in his/her family to graduate high school and/or college. Celebration was well received by students. Speakers included: Mrs. Amanda Wilkerson-ITT Coordinator, Mrs. Nicole Otte,-Assistant Director, Ms. Rochelle Perkins-Financial Manager, Dr. Bonita Stone-IU Health, and Mr. Lawrence Courtney

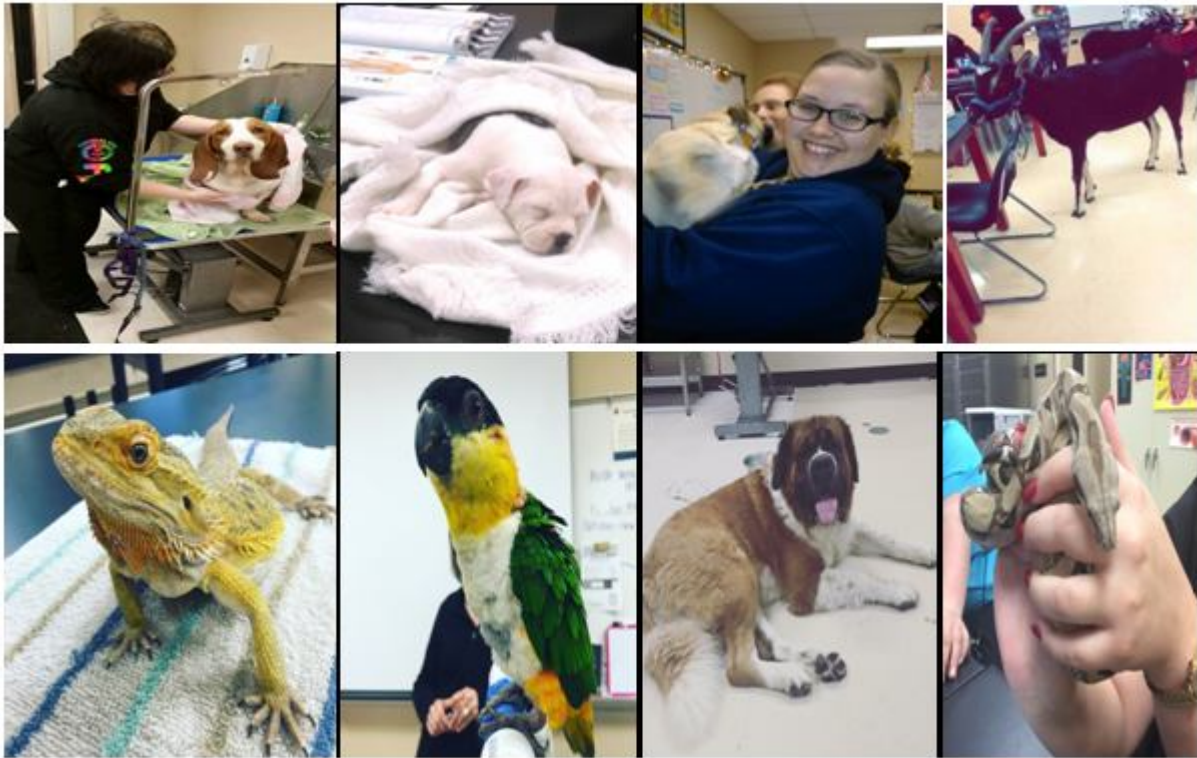

Recent/Upcoming Fundraisers:

Veterinary Careers-Mrs. Jessica Smith

Veterinary classes have been finishing up the school year with practicing lab work providing animals with different treatment and procedures. Students are getting a great chance to better and hone in on their skills of communication, treatments, assisting, tool usage, and proper procedures in performing their objectives of animal care.

Awards Day Ceremony at Central Nine Career Center

Central Nine Awards Day was a great success. The entire staff worked extremely hard and made the day pleasurable for parents, family members, students, and visiting administrators. The entire day was filled with positive energy, love, and respect for teachers and students. I encountered positive feedback and appreciation from the parents for what we do for the students here at Central Nine. Below I have attached plenty of pictures for your viewing. Enjoy!

Student Services

MARKETING/RECRUITING

Glenn and Janise continued recruiting events at the supporting schools and began managing enrollments for the 2016-2017 school year.

ADMINISTRATION – HIGH SCHOOL OFFICE

Second semester enrollments continue to be reviewed while working on attendance related issues.

SUPPORTIVE SERVICES

Janise and Glenn continue to provide support services to the student population regarding family crisis, financial hardship, etc. Met with parents, administrations staff, and students.
