Steve,

We would just need board approval for the two with inventory tags. We can let them know that the equipment is outdated and not use with your curriculum anymore. As long as Mrs. Otte is okay with this, then we can take it for board approval.

Thanks,  
John

John,

I have received approval from Nicole to make the donation. The donation will be to the Ray Skillman Classic Car Museum. The items I am wanting to donate are, Sun Modular Engine Analyzer, Sun Engine Performance Tester, and Sun Investigator. If you need anything further, please let me know.

*out of service*

Thanks,
