## This Month's Highlights

### Curriculum and Instruction

#### **Staffing:**

Mr. James Prince has joined the Central Nine team as our new Diesel Service Technology Instructor. We are currently seeking Criminal Justice II and Auto Collision Repair Technology Instructors.

#### **Professional Development**

The Tuesday, January 2, 2018 teach in-service focused on topics related to Resource and students with special needs. The morning started with a general large group session before teachers separated into small groups to attend the following breakout sessions:

- Behaviors in the Classroom – Autism and IEP Behavior Plans
- Test Accommodations and Modifications – A How To
- Reading an IEP – What Do I Do Now?
- Inclusion 2.0 – What Does Inclusion Look Like Now?
