

# High School Division

Prepared by: Mike Quaranta, Joe Preda, Corrina Vonderwell, Melanie Carpenter

## This Month's Highlights

### Curriculum and Instruction

#### **Staffing:**

Mr. Jon Keen has joined the Central Nine team as the new Auto Collision Repair Technology instructor. Mr. Keen will work Tuesdays and Thursdays for the remainder of the 2017-2018 school year, and will begin full time at the start of the 2018-2019 school year. Mr. Andy Moore will be joining us as the Landscape Management/Horticulture Instructor beginning in the 2018-2019 school year. We are nearly finished with our Early Childhood Education Instructor search. CTE Innovation Coach interviews took place today and will wrap tomorrow. We hope to have a decision made by the end of next week.

#### **School Safety / Professional Development**

The administrative team met with Sargent John Perrine of the Indiana State Police to discuss school safety and active shooter protocols. The knowledge gained from that meeting was used to create a School Safety Professional Development experience for teachers and staff. We will review active shooter protocol, take teachers and staff through scenarios in groups, conduct an active shooter drill (sans students), and then regroup to reflect on the process. Students will take place in a lockdown drill before the end of the year. School safety will continue to be a major focus next year, as we expand the drills next school year.

#### **Observations/Evaluation**

Summative evaluations will conclude by May 15.

#### **Evaluation Committee**

The Evaluation Committee met in April to begin discussions regarding the current tool and suggestions for improvement. The committee will meet again on May 16, after summative evaluations are complete.

### Dean of Students

#### **Field Trips**

- Mr. Ramey's: Horticulture/Landscaping- Cecil Resident Landscaping- April 17
- Chef Swopes: Culinary Arts-Kelsay Farms-April 18

Central Nine was represented at several large career fairs by the Student Services staff in addition to hosting several students who were shadowing classes and tours. In addition, the tour for the Senators and Representatives was hosted by Mrs. Otte and staff along with several Central Nine students.

### Administration – Student Services Office

VU Logistics hosted Mr. Quaranta, Ms. Naum and Mr. Quaranta in their warehouse to discuss the benefits of a partnership featuring logistics classes for C9 students. Additionally, plans are in the works to host a summer camp featuring our Landscape and Horticulture program.

### Supportive Services

Ms. Naum spent a great deal of time working on the certifications for the Work Ethic awards. Mrs. Carpenter and Mrs. Vonderwell, along with Ms. Naum met with more than 100 students for crisis, counseling and other miscellaneous issues.
