4.3 Approval of Property Casualty Insurance Plan

Minutes:

Mrs. Otte explained that the Property Casualty Insurance Plan is generally approved at the June Board meeting however the premium is due on June 14, 2018 which is the date of the next Governing Board Meeting. In order to pay the premium on time, she is requesting permission for Cindy Payton to pre-write the check for the premium prior to the June 14, 2018 meeting. She then stated that the policy increased \$400.00 and included a recommendation for a cyber liability policy and a law enforcement liability. She explained that the law enforcement liability would cover the current contracted officer that we have doing traffic control and would also cover the potential School Resource Officer position that they are wanting to hire.

The Board requested an update and plan for the School Resource Officer. Mrs. Otte stated that she had surveyed our sending schools and a few contract with their local law enforcement agency and the others created their own in house police department. She explained that the goal for the position is to have them here everyday that the students are present and have all of the rights of law enforcement such as being able to arrest and carry a firearm. She shared that we have applied for a grant that would pay 50% of the salary for the School Resource Officer. The Board cautioned that extensive Policy needs to be in place prior to hiring for the position due to the liability.
