

**2018 – 2019  
MEMORANDUM OF  
UNDERSTANDING  
FOR HIGH SCHOOL-BASED DUAL  
CREDIT  
Ivy Tech Community College  
Columbus & C9**

With this agreement, Ivy Tech Community College Columbus and C9 agree to provide opportunities for students at C9 to earn high school-based dual credit for the following course(s):

**Ivy Tech Course(s):** \_\_\_\_\_

AGRI 105 – Plant and Soil Science  
AGRI 164 Landscape Design I

**High School Course(s):** \_\_\_\_\_

Plant and Soil Science – DOE #5170  
Landscape Management I – DOE #5136

Under the high school-based dual credit covered by this agreement, a student is simultaneously enrolled at Ivy Tech Columbus and C9, and may therefore earn college and high school credit in the semester culminating in mastery of the subject matter. A C9 instructor teaches the course. No tuition is charged for C9 students enrolling in dual credit courses taught at C9 by C9 instructors.

The following procedures have been followed in establishing this dual credit agreement:

Faculty at C9 and Ivy Tech Columbus have worked together to ensure that the above-named C9 courses meet Ivy Tech requirements/standards and professional expectations for:

- Faculty credentials, development, monitoring, evaluation, and documentation.
- Course content (syllabi, textbooks, assignments, laboratory equipment, examinations).
- Student learning outcomes.
- Student readiness/eligibility (prerequisites/assessments).
- Enrollment status, grades, credits.
- Transferability.

This agreement is approved for the 2018-2019 school year. Either party to this agreement may cancel it at the end of the academic year, if they so desire.
