PUBLIC ATTENDANCE AT SCHOOL EVENTS

The Governing Board welcomes the attendance of **non-student** members of the community at athletic and other public events held by the Career Center, but the Board also acknowledges its duty to maintain order and preserve the facilities of the Career Center during the conduct of such events.

The Board holds the legal authority to bar the attendance of or remove any person whose conduct may constitute a disruption at a school event. School administrators have the authority to call law enforcement officials if a person violates posted regulations or does not leave school property when requested. They are also authorized to use detectors and other devices to better ensure the safety and well-being of participants and visitors.

If a person is asked to leave or is removed from a school event, no admission fees shall be refunded.

Further, if a person is asked to leave or **is** removed from a school event **more than two (2) times in a school year, or if the severity of the incident leading to removal warrants,** the Executive Director or designee **may, after a warning, or if the incident leading to removal warrants, either meeting with the person or offering to meet with the person but the person refuses to meet or fails to respond to the offer to meet,** ban him/her from attending school events for the remainder of the school year, **or indefinitely, if the incident warrants.**

A person who is banned from attending school events for the remainder of a school year may appeal that decision to the Board, **which may, in its sole discretion, choose to hear the appeal. If the Board chooses not to hear the appeal, the decision by the Executive Director shall be final. If the Board elects to hear the appeal, the decision by the Board whose decision** in the matter shall be final.

This policy applies to non-student members of the public. Students on the grounds of the Career Center shall remain at all times subject to the terms of the Student Handbook.

The Board directs that no alcoholic beverage or other controlled substance be possessed, consumed, or distributed nor any betting occur at any function occurring on Career Center premises.

For facilities constructed or altered after June 3, 1977, the Career Center will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the Career Center is committed to operating its programs and activities so that they are readily accessible to persons with disabilities. This includes, but is not limited to, providing accommodations to parents with disabilities who desire access to their child's educational program or meetings pertinent thereto.

Individuals with disabilities have an equal opportunity to purchase tickets for events that have been sanctioned or approved by the Board in accordance with the provisions of the Americans with Disabilities Act, as amended.

Further, in accordance with the provisions of the Americans with Disabilities Act, as amended, the Board shall permit individuals with disabilities to be accompanied by their service animals in all areas of the District's facilities where members of the public, as participants in services, programs or activities, or as invitees, are allowed to go (see also Policy 8390 and AG 8390).

The Board is aware of the increasing desire of many parents and other members of an audience to make audio and/or video recordings of school events.

Such recordings can be made by parents or other members of the audience without restriction if the performance is not of copyrighted material. However, if the performance is of copyrighted material, recording can be made if the appropriate license authorizing such recordings has been secured in advance by the Career Center. If the performance is of copyrighted material and the necessary license has not been secured in advance by the Career Center, the audience shall be advised before the performance begins that audio and/or video recordings that will be re-broadcast or distributed in any way, such as posting on the internet, are prohibited.

The Board authorizes the Executive Director to establish rules and procedures governing the use of non-Career Center audio/visual recording equipment at any Career Center-sponsored event or activity. Such rules are to be distributed in such a manner that members of the audience who wish to record the event are aware of the rules early enough to make proper arrangements to obtain their recordings without causing delay or disruption to an activity.

Any person or organization seeking to film students or a school activity which is not a public event shall obtain prior permission from the Executive Director.
