Central Nine Career Center
Nicole Otte, Director
1999 US 31 South
Greenwood, IN 46143
notte@central9.k12.in.us

Dear Nicole,

This letter outlines the details of our donation of electrical training equipment to your district. The particulars of this donation are as follows:

1. **Ohm's Box Equipment:** This donation contains one complete package of OhmsBox Electrical and Electronic training equipment and software, which will contain: eleven (11) station computers, ten (10) Digital Multimeters, ten (10) OBT Ohm's Box trainers with storage cases, ten (10) OBFB Troubleshooting fault boards, ten (10) OB10A Automotive electricity course boards and courseware, one (1) OB10W Automotive electricity software, ten (10) OB20A Automotive electronics course boards and courseware, and one (1) Automotive electronics software, network switch and associate network cables*
2. **Instructor Resources:** on-site copy licenses for OB10A and OB20A Instructor and student manuals; PDFs supplied in the courseware packs*
3. **Training:** The NTC has agreed to facilitate training for up to three instructors that will be facilitating the Ohm's Box equipment. This training can either take place at ATech HQ in Walton, KY, or on-site**
4. **MSRP Value:** \$68,000

As part of accepting this donation from the NTC, Central Nine Career Center would agree to the following conditions:

1. **Branding** -- Ohm's Box, NTC, and ATech banners must be displayed in the area housing the equipment.
2. **Recruitment** -- The NTC's recruiter would be allowed to visit with all applicable classes each semester.
3. **Press and Publicity** -- NTC is allowed to facilitate and use this donation as a publicity opportunity.
4. **Procedures and policies** -- Neither the NTC, ATech, or any of its subsidiaries shall be held liable in the event of injury incurred by the equipment being donated. **Central Nine Career Center** accepts the liability of all uses of this equipment within its facilities at 1999 U.S. 31 South, Greenwood, IN 46143.

*This equipment will be owned by Central Nine as long as it is in active use. In the event that this equipment is no longer in use by the direct recipient, it must be returned to the NTC.

**Included instructor training is a one-time event. Should additional instructors need training, arrangements will need to be made with the NTC and ATech; fees may be incurred for additional trainings.
