

Action Item:

Proposal for AE Welding for Edinburgh Correctional Facility 80 hour AWS D1.1 MIG training class for 10-12 offenders.

Where: C9 welding class/lab

When: July 8 – 19th, 2019; 7am to 3pm

Indiana Department of Correction, Executive Director Offender Employment Development, Sherm Johnson has coordinated the efforts with Nicole Otte and Michelle Davis. Indiana Department of Correction is funding entire cost of class including Instructor salary, consumables, transportation, on duty guard, lunch, and miscellaneous supplies. C9 AE is providing class and lab space only.
