

*“Central Nine exists to engage and empower students by providing career-based instruction in an innovative learning environment. We make an IMPACT on our students’ personal and professional SKILLS, which enables them to succeed in post-secondary and career opportunities.”*

# Governing Board Report – High School Division

## August Highlights

August 8, 2019  
 Report prepared by Mike Quaranta, Joe Preda,  
 Melanie Carpenter, and Corinna Vonderwell

### Staff Services (Curriculum, Instruction, Programs, Staffing)

**Program Updates**  
 Unfortunately, we made the decision to cancel the Early Childhood Education program at Central Nine for 2019-2020 school year. We have been unable to secure an instructor, and we did not want to risk putting a sub in the classroom only to have to cancel the program after the school year started. This program is becoming more popular in our partner schools, and we have confidence that it will continue to expand in our communities.

**Magnify Learning – PBL Training**  
 Instructors took part in a two-day Project Based Learning training with Magnify Learning on July 29 and 30. Project-Based Learning increases student engagement and excitement, provides authentic, real-world learning experiences, gives students credit and ownership of their learning, builds community, business, and industry partnerships, and improves overall classroom culture. We are excited to see how the training IMPACTs our programs, and we look forward to the PBL Showcase that will take place on January 30.

**Individualized Professional Development**  
 As part of the updated Teacher Evaluation Program, Eddie Small, the CTE Innovation Coach, will conduct a non-evaluative observation of each staff member prior to fall break. In conjunction with this observation, each teacher will meet with the Mr. Small to develop individual goals and a personalized professional development plan. Instructors will work with Mr. Small throughout the year to monitor and make progress on these goals.

**Opening In-Service Day**  
 On Wednesday, July 31, the entire Central Nine staff met to review the details for the year. We discussed updates to the Staff Handbook, the implementation of a new recycling program, school safety, accounting policies and procedures, discipline, and individualized professional development. We are looking forward to a great year!

**Student Orientation**  
 Student Orientation took place on Thursday, August 8 during both sessions. Students learned about the Student Handbook, Work Ethic Certification, School Safety, and the functions of the Student Services Coordinators and the Career Pathways Counselor.

### Student Services

**Marketing/Recruiting**

- 7/24 Registration Day (7:30 a.m. – 7:30 p.m.)
- 7/25 Indian Creek Registration Day (8:00 a.m. – 6:00 p.m.)

Student Services welcomed Mrs. Aubrei Teter as the Career Pathways Specialist. Mrs. Teter hit the ground running presenting the Governor’s Work Ethic information at registration day. We currently have 1453 students enrolled (as of 8/6/19)

**Administration – Student Services Office**

Student Services continues to work with Marketing to enhance external marketing efforts. Program brochures are being improved and re-sized to better accommodate the needs of Student Services personnel.

**Supportive Services**

Student Services staff continue to support the ancillary programs such as AVMT and Paul Mitchell with off-site programming, registrations and enrollments.
