Administration – Student Services Office

Mrs. Carpenter worked diligently on the Fall Count with Mrs. Showalter, including many late hours to assist our partner schools with the completion of their reports. A contingent of C9 staff visited Prosser to see their new construction and to discuss some of the new programs they are offering.

Supportive Services

Student Services is investigating how the enrollment process could be streamlined and/or improved. The Activities committee is meeting to discuss the Thanksgiving celebration and Christmas Party (and Secret Santa gift exchange.)
