Staff Services (Curriculum, Instruction, Programs, Staffing)

Staffing

We are recommending Ms. Carrie Lamb for the Early Childhood Education position for the 2020-2021 school year. We are currently searching for a Health Science Education II: Athletic Training Instructor. We plan to hold interviews after spring break.

Active Shooter Drill

Central Nine will conduct an Active Shooter Drill during both sessions on Thursday, March 12. We will notify students and staff of the drill immediately prior to it taking place. We will contact parents via Skylert immediately following each drill.

Career Day

Central Nine held its annual Career Day on Friday, February 28. Several vendors reported that it was the best fair they have ever attended, with engaged students who asked very thoughtful questions. A huge thank you to Mrs. Aubrei Teter, Mr. Showalter, Mr. Overby, and Chef Mendenhall and DeRudder and their students for assisting with setup and take down.

Coronavirus

A Pandemic Response Team has been created to monitor the Coronavirus situation. Cleaning procedures have been enhanced and classrooms have been provided with sanitizer and disinfecting wipes. Furthermore, signs have been posted about practicing good hygiene. Parents were notified of important tips via Skylert on February 28, 2020. Should the virus affect our school, eLearning procedures have been shared with teachers.

Observations

The second round of observations will wrap up by spring break. Summative evaluations conferences will be held in April.
