

HEALTH AND SAFETY PROTOCOLS STARTING FALL 2021

ARE MASKS REQUIRED?

- According to Indiana Department of Health guidelines, masks are recommended indoors for all unvaccinated individuals. At Central Nine, masks are recommended for unvaccinated individuals (but not required).
- At any time, under the direction of the Johnson County Health Department, masks may be required.

WHAT HAPPENS IF I TEST POSITIVE?

- Positive cases will require a 10 day quarantine.
- Central Nine may ask for a negative test result to return to campus if a student or faculty member is not vaccinated.

WHAT IS THE PROCESS FOR CONTACT TRACING?

- Students and faculty who are contact traced will need to quarantine for 10 days unless they are asymptomatic **and** vaccinated.
- If a student or faculty member has been contact traced, he/she will have the opportunity to opt-out of a 10 day quarantine by providing proof of vaccination.

WILL THERE BE AN ONLINE OPTION AT CENTRAL NINE?

- No. Central Nine is a Career and Technical Education (CTE) organization and must adhere to the CTE standards set by the Governor's Workforce Cabinet. This means that in-person training and laboratory experiences are required as a part of the curriculum.

COVID-19 SYMPTOM CHECKER

- | | |
|--|---|
| <ul style="list-style-type: none"> • Fever/chills 100.4 degrees or higher • Cough • Shortness of breath • Fatigue • Muscle/body aches | <ul style="list-style-type: none"> • Headache • Loss of taste/smell • Sore throat • Sinus congestion • Nausea/diarrhea |
|--|---|
