

Positivity rates will continuously be monitored in each program and decisions will be made in the best interest for the health and safety of our students.

## SAFETY IS OUR PRIORITY

### Are Masks required?

Masks will be required indoors for students and staff regardless of vaccination status. Masks must be worn properly.

This policy will be reviewed on a regular basis.

---

### What is the process for Contact Tracing?

Students and parents will be informed if the student is a close contact. However, if a student has been following the mask policy properly, they will only need to quarantine if they are positive or displaying symptoms.

Contact tracing has been reduced to three feet instead of six.

---

### What happens if I test positive?

Positive cases will require a 10-day quarantine.

---

### Will there be an online option at Central Nine?

No. Central Nine is a Career and Technical Education (CTE) organization and must adhere to the CTE standards set by the Governor's Workforce Cabinet. This means that in-person training and laboratory experiences are required as a part of the curriculum.

---

### Can I wear a gaiter or face shield as a mask?

No. Students must wear a cloth face covering that covers both the nose and the mouth at the same time.

---

## COVID-19 SYMPTOM CHECKER

- Fever/chills (*100.4 degrees or higher*)
  - Cough
  - Shortness of breath
  - Fatigue
  - Muscle/body aches
  - Headache
  - Loss of taste/smell
  - Sore throat
  - Sinus congestion
  - Nausea/diarrhea
  - Vomiting
  - Runny Nose
- 

- Students should check their temperatures daily before coming to campus.
  - Students must be fever-free for 24 hours, before returning to campus.
  - Central Nine may ask for a negative test result to return to campus if a student or faculty member is not vaccinated.
-
