

## OCTOBER 2022 HIGH SCHOOL BOARD REPORT

### STAFF SERVICES (CURRICULUM, INSTRUCTION, PROGRAMS, STAFFING)

#### Staffing

We are currently seeking a School Resource Officer.

#### Advisory Board Banquet

We had the largest Advisory Board Banquet since pre-COVID! Kudos to the Culinary Arts instructors and students for planning, preparing, and serving a delicious meal! We are looking forward to having a large group dinner in our new Commons next year.

#### School Safety

Active Shooter Drills took place over the last couple of weeks. Students and staff responded effectively. All instructors debriefed the drills with their students and data collected will be used by the School Safety and Crisis Management Teams to continue to improve school safety.

#### eLearning / Fall Break

Five of our partner schools have different fall breaks. Students whose schools are on fall break while Central Nine is in session are required to complete eLearning work during this time. Instructors will post work to Canvas by 9:00 a.m.

#### Evaluation

Michelle Augustine, CTE Innovation Coach, continues coaching sessions with newer teachers (5 years or less experience). Formal observations by Mr. Joe Preda and Mr. Mike Quaranta are underway.

### STUDENT SERVICES

#### Marketing/Recruiting

- 9/2 Army Visit

- 9/29 Air Force Luncheon
- 9/29 Franklin Community College and Career Fair
- 9/29 Southport Career Fair

Student Services staff is continuing to work with partner schools to develop creative ways to recruit for next school year. Student Services staff has visited classrooms to assist in dual credit for Ivy Tech and Vincennes Universities. Student Services Coordinators are meeting with students who are in crisis and/or having various other issues. We have been fortunate to have been invited again to the Southport homecoming parade with our wrapped truck.

**Administration - Student Services Office**

Student Services staff are making Count Day preparations in order to submit data to the state in October. We continue to educate ourselves regarding student/staff safety training through monthly drills including severe weather, fire, and active shooter training. We have started a new book study this month and are reading "Start with the Heart. Igniting Hope in Schools Through Social and Emotional Learning" by Michelle L. Trujillo.

**Supportive Services**

Student Services Coordinators continue to host parent/teacher conferences as the need arises. Seniors have learned about and opted into the Governor's Work Ethic Certificate program. Dual credit enrollment continues as the testing for Ivy Tech enrollment is winding down. College Day was successful with 36 Businesses/Organizations/Colleges attending.
