

NOVEMBER 2022 HIGH SCHOOL BOARD REPORT

STAFF SERVICES (CURRICULUM, INSTRUCTION, PROGRAMS, STAFFING)

Staffing

We are fully staffed!

Field Trips

We are grateful that students have had the opportunity to get out and experience field trips again! Students in a variety of programs have visited such locations as Lucas Oil Raceway, Indiana/Kentucky/Ohio Regional Council of Carpenters, Cat Reman, Vincennes University, the Indiana University Cadaver Lab, School of Medicine, and School of Dentistry.

Guest Speakers

Central Nine instructors have invited over 75 guest speakers to campus this year to speak about a variety of interests and opportunities. Speakers consist of industry experts, college representatives, and armed forces recruiters.

Boot Camp

Central Nine Boot Camp took place on November 8. Guests from our partner schools spent half of the day with us to visit programs and participate in a hands-on activity with our students. Guests were also invited to enjoy a networking lunch. Each session concluded with a student/instructor panel where guest could ask questions and learn about all of the great things Central Nine has to offer!

Evaluation

Formal observations by Mr. Joe Preda and Mr. Mike Quaranta are underway.

Vincennes University Early College and Project Excel fall enrollments are being finalized and tracked along with Ivy Tech and USI.

Recruitment presentations for grades 9-11 at partner schools has begun. Mr. Tucker in Auto Services has created a new pilot recruitment program specifically geared for automotive students that is being tested in a few partner schools. The 50th Anniversary Celebration was a big success.

Administration - Student Services Office

Student Services continues to support the Central Nine mission by attending monthly team meetings and hosting the Governor's Work Ethic student meetings. A Student Handbook Task Force has been assembled to address ever changing issues that need to be monitored, addressed and updated in the manual.

Supportive Services

Student Services Coordinators continue to host parent/teacher conferences as the need arises. In October, Central Nine assisted its partner schools with the INTERS Fall Funding Report, which required 10+ hours daily for two weeks before the submission of the official document. Several schools experienced an increase in funding due to Central Nine's diligence. (Thank you specifically to Chandra Beers). The Trick or Treat for UNICEF event was well attended and 10 students volunteered to assist. VU Early College has a new representative (Judith Anderson) that will be working with teachers and staff.
