This Month's Highlights

The **Central Nine Adult Education Division** has developed its 2012 Spring/Summer Catalog. The catalog lists several new programs that will be offered by, through, or at Central Nine which includes Administrative Assistant (C9), Phlebotomy Technician (Vincennes University), and Introduction to Swedish Massage (SistaLove Massage Therapy). The catalog is scheduled to arrive in homes by the second week of December.

Additionally, **Central Nine** is currently on track to be approved as an official COMPASS testing site by the American College Testing Program. This approval will provide Central Nine adult learners with the opportunity to take the COMPASS test as part of their adult basic education programming.

Since November 1, 2011, Central Nine's **Adult Basic Education** Program has provided over 160 new adult learners with services related to GED Testing, GED/ESL classes, and GED Practice Testing. The **Adult Continuing Education** Program currently has over 89 students currently attending classes. These services have generated over \$8,700 in revenue since November 1st.

The **Adult Continuing Education Program** is also considering developing and submitting Microgrant applications for a Commercial Driving License (CDL) and Computer Numerical Control (CNC) Technician. Both microgrants will be for \$12,000 and will aid in the development and implementation of the programs.
