LEAVING DURING SCHOOL HOURS

Staff members who need to be away from school on school business or personal business during duty hours shall secure permission from their supervisor, and sign out with the Staff Services Administrative Assistant regarding their itinerary. Staff members may also use the [Electronic Staff Sign-Out/Sign-In Form](#).

Because we have found it necessary to contact staff members when they are out of the building during the school day, it is VERY IMPORTANT that you sign out each time you leave the school during the school hours and list your itinerary. THE SIGN OUT BOOK IS LOCATED AT THE STAFF SERVICES DESK. Staff members may also use the [Electronic Staff Sign-Out/Sign-In Form](#).

Leave forms will not be required for departures/appointments less than two hours. For departures/appointments more than two hours, the staff member will be required to use a half/full leave day, and complete a leave form. Also, if coverage is needed for a classroom, this should be communicated to the Assistant Director as soon as possible.

STAFF IDENTIFICATION

All staff members are required to wear an identification badge at all times while on campus.

STAFF DRESS & GROOMING

Staff members are expected to dress professionally during instructional hours. Professionally dressed may be defined as “professionally casual” or meeting the need for the specific CTE Program area, and should meet at least the dress code guidelines established for students. Employees should not wear tank tops or spaghetti strap shirts, jeans (unless required by the specific program safety regulations), leggings (unless worn under appropriate attire), shorts, or sweat pants except for special circumstances approved by the Assistant Director, such as field days, field trips, program requirements, special events, instructional activities, or other Board approved activities. Any tattoo and/or piercing that may be offensive, distracting, or inappropriate must be covered at any time an employee is working where students are present.

WORKER'S COMPENSATION

In the event a staff member is injured at work, the employee should report the injury IMMEDIATELY to the Staff Services Office and the Benefits Coordinator. There will be a required "First Report of Injury" Form that will need to be completed within 7 days of notification. This form can be found in the Appendix of this Handbook. The Benefits Coordinator will assist with both this form and any other required paperwork, as well as provide instructions for treatment.

PROFESSIONAL LEARNING COMMUNITIES (PLCs)

Professional learning communities were implemented at Central Nine in the 2021-2022 school year. The official definition of a professional learning community is, "an ongoing process in which educators work collaboratively in recurring cycles of collective inquiry and action research to achieve better results for the students they serve." PLCs will be structured based on current needs for the revised Strategic Plan and will include both teachers and staff members.

SCHEDULING ROOM/FACILITY USAGE

Staff members wishing to schedule a common area for school events (LGI, Commons, Conference Rooms, Computer Labs, Shelter House, etc.) should utilize the Google Calendar Room reservation system. Highly utilized spaces such as the LGI and Conference Rooms will have built-in electronic administrative approval prior to proceeding.

Staff members wishing to schedule a room or common area for events other than for school events should complete the Facility Usage Form found on the J:Drive. This form is to be submitted to the Executive Director.

PHONE CALLS

Phones are provided in classrooms, labs, and offices. Local personal calls by staff members may be made as long as it does not interfere with official school business. Long distance personal calls need to be reported to the Business Manager so the proper charge can be made. Students' use of phones for school business only should be closely supervised by the staff.

Personal calls by students are to be made in the Student Services Office. Personal calls can only be made during the student's break. Students are NOT to be released from class to make phone calls in the office unless it is an emergency.

KEYS

Necessary keys are issued by the Facilities Director. Keys, except locker keys, are not to be used by students. No duplicate keys are to be made. Keys are to be returned to the Facilities Director at the end of the teacher's contract.

COPIERS

Teachers should use the copiers in specific buildings and/or the data/faculty room before 7:45 a.m., at lunchtime, or after 2:15 p.m. Only Office Staff may use the copy machines located in the offices. If a teacher must make emergency copies, it is imperative that he/she secure supervision for his/her classroom prior to leaving the room. Students may not use the copiers.

MAILBOXES

Each staff member will have an assigned mailbox in the faculty lounge. Please keep it clean and check your mailbox every morning, during lunch and again before you leave for the day. Do not change mailboxes.

MILEAGE CLAIMS

Mileage claim forms are available for your use in claiming authorized travel expenses. Mileage claims must be signed by your supervisor, and submitted to the Business Manager. They will then be submitted to the Governing Board for approval and payment. Forms may be found in the form section of staff mailboxes, or electronically on the J: Drive, Forms folder. Claims should be submitted for reimbursement no more than a month after date of event.

PURCHASE ORDER REQUESTS

Purchase Requisitions may be found on the Faculty J: Drive in the forms folder or on the [Staff Tool Belt](#). You must have a signed copy before any purchases are made or any orders are placed. ECA Purchase Requisitions should be submitted through Qmlativ.

FACULTY MEETINGS

Faculty meetings will be held during all professional days and one day per month, as needed. Please see the Meetings Schedule in the Appendix for specific dates. Additional faculty meetings may be scheduled on an as needed basis.

STAFF CLASSIFICATIONS

Staff members at Central Nine Career Center are designated as either certified/professional or non-certified/classified. Teachers and other full-time positions requiring a specific DOE license are considered certified/professional. Other positions not requiring a specific DOE license are considered non-certified/classified. Staff members will refer to sections of this handbook dependent on their individual designation. Administrators may fall under either designation and will adhere to policies/guidelines as outlined by the Governing Board and their individual respective contracts.

72-77	C		

STUDENT ATTENDANCE

Because the instruction that we offer our students is invaluable, students are encouraged to be here every day that Central Nine is in session. In order to support the goal of positive attendance, Central Nine Career Center will invoke attendance intervention guidelines for any student who is missing five or more days. However, the instructor may reach out to parents/guardians prior to five absences. These interventions can be found in the student handbook.

Teachers are required to take attendance daily in each session. Attendance should be recorded within the first 10 minutes of each session. All absences are to be recorded by the teacher. All tardies within the first 5 minutes of class should be recorded by the teacher. All tardies over 5 will be recorded by the Student Services Secretary, and the student will report to class with a pass.

TEACHER ILLNESS & ABSENCES

In case of illness, teachers should contact the Assistant Director between 5:30 a.m. and 6:30 a.m. and a substitute will be secured, if needed. Prearranged absence phone calls may be placed prior to 9:00 p.m.

It will be assumed that an absence due to illness is for one day unless informed by the teacher of the need for additional days. Emergency lesson/sub plans for a minimum of 5 days should be housed on Canvas.

Complete the online [Employee Leave Request Form](#) upon return to work (within one day) or in advance if the absence is planned.

A physician's statement is required at the discretion of the Director after a professional staff member has been absent for three (3) consecutive days. (Administrative Guidelines 3430)

All other absences (jury duty, personal business, professional leave, etc.) should be arranged with the Assistant Director as far in advance as possible. The online [Employee Leave Request Form\(s\)](#) should be completed in advance or upon return if the absence was an emergency. It is the teacher's responsibility to make sure the Assistant Director is aware of the need for a substitute.

EXHAUSTED LEAVE (Administrative Guidelines 3430.02)

If a professional staff member misses a day of work after exhausting their accumulated leave days for a school year, the staff member will receive that day without pay. Any additional days of absence may be cause for termination on the grounds of neglect of duty, as attendance is a normal expectation of job performance.

NON-CERTIFIED/CLASSIFIED STAFF

NON-CERTIFIED/CLASSIFIED STAFF

TIME REPORTS

Hourly non-certified staff members are responsible for completing electronic time sheets using Time Clock Wizard on a daily basis. Time sheets will automatically be submitted every Friday by 3:30 pm. Any approved comp time should be made up within the same week, and may not carry over from one week to the next. It is the employee's responsibility to submit leave requests via Time Clock Wizard. It is also an expectation of the employee to clock in and out as per their daily schedule, unless otherwise approved by their supervisor. Failure to do this may result in lost pay.

The following regulations will apply:

1. Employees are required to clock in prior to their assigned start time, and must clock out when they go off duty. Each employee has the option to use their computer or their cell phone to clock in or out.
2. Employees are required to clock out any time they leave the work site for any reason other than assigned work duties. Off campus work duties (i.e. bank deposits or post office runs) are not to be combined with lunch break.
3. Unless permission to do otherwise is authorized in writing by the employee's supervisor, no employee may clock in more than 7 minutes prior to, or 7 minutes after, the start of their shift. Employee may not clock out more than 7 minutes prior to, or 7 minutes following the end of their work time.
4. Time recorded will be the work-time paid. Any adjustments to the recorded time must be approved by the employee's supervisor.
5. Employees must clock out for their designated lunch time. All employees are free to leave the campus during lunch break.
6. Employees who have worked time in excess of 40 hours per week will be paid time-and-a-half for all time exceeding 40 hours.
7. Prior permission to work any hours over 40 hours per week MUST be approved in writing by the employee's supervisor PRIOR to the hours worked.

Violations of these procedures may result in disciplinary actions; including oral or written warnings, suspension without pay, and/or termination. Under no circumstance may an employee clock in or out for another employee or clock in for duty off campus prior to their designated start time. Any employee participating in these types of violations may face immediate termination.

Central Nine Career Center reserves the right, at any time, to access the locations of where employees clock in and out using a mobile device.

HOURS WORKED & OVERTIME (Administrative Guidelines 6700)

The Fair Labor Standards Act ("FLSA") provides that certain employees are exempt from the overtime and minimum wage provisions of the law. To review these guidelines, please visit our school policy website and find Administrative Guideline 6700: <http://www.neola.com/centralnine-in/>

LUNCH BREAKS

Staff members receive a daily 30 minute lunch. Consideration should be given to assure that no areas or offices are left without coverage during the lunch break.

ABSENCE/TARDY POLICY (Administrative Guidelines 4430)

Employees are expected to arrive for work on time. Good attendance is important to the smooth functioning of the Career Center; so when it is necessary for the employee to be absent, the employee needs to let the supervisor know as far in advance as possible, or in the case of illness or severe weather, as soon as possible. The Career Center recognizes that some absences are out of the employee's control. However, they do have an impact on the smooth operation of the Career Center, and therefore, unscheduled absences must be kept to a minimum. The same holds true for late arrival, whether it be the start of the day, or returning to work after lunch and breaks.

The designated supervisor will handle monitoring absenteeism and tardiness of non-certified employees.

The guidelines below are designed to identify the proper procedures for reporting absences and ensure consistent and equitable treatment of absences, late arrivals, and early departures at the Career Center.

1. Employees are expected to report to work as scheduled and to work their scheduled hours each day. For planned absences, the employee is expected to complete an online Employee Leave Request Form prior to the absence. For unexpected absences, an online Employee Leave Request Form should be completed within one day of returning to work.
2. With respect to an unscheduled absence, the employee should notify his/her supervisor of the absence within thirty (30) minutes of the scheduled starting time. In providing this notification, employees should give a reason for their absence and an estimate of when they will be on duty. Failure to call in within thirty (30) minutes of your scheduled starting time could result in an unpaid absence. The employee will be required to complete the online Employee Leave Request Form within one day of return.
3. Employees must present a doctor's release to return to work following any injury or illness which extends three (3) days or more.
4. Employees who take three (3) consecutive unscheduled absence days without notifying the Career Center are subject to termination.
5. Employees will be considered tardy when they report to work any time after their scheduled starting time or leave prior to their end of duty time. Excessive tardies may be considered grounds for termination.

EXHAUSTED LEAVE (Future Administrative Guidelines 4430.02)

If a staff member misses a day of work after exhausting their accumulated leave days for a school year, the staff member will receive that day without pay. Any additional days of absence may be cause for termination on the grounds of neglect of duty, as attendance is a normal expectation of job performance.

BENEFITS (Administrative Guidelines 4430)

These guidelines relate to employment by Central Nine Career Center to non-certified personnel. "Full-time" employees are those scheduled to work eight (8) hours per day for twelve (12) months.

Other non-certified personnel are considered "part-time" and will receive no wages for days not worked, nor other benefits under this section. Non-certified personnel on a 195, 205, 220, or 240 day schedule are eligible for all benefits except vacation and PERF, unless otherwise guaranteed in individual employment contract or administrative guidelines.

STAFF

ACCEPTABLE USE OF TECHNOLOGY AGREEMENT

2023-2024

Definitions and Overview

Central Nine Career Center ("Career Center" or "Central Nine") is pleased to provide its faculty and staff with access to the World Wide Web through a Career Center-provided internet connection ("Internet"), as well as a range of Career Center-owned and controlled electronic devices and technologies, including a Central Nine e-mail account ("System"), and a school-wide local area network ("Network") for educational and operational purposes. It is important to recognize that access to the Internet, System, and Network requires shared responsibility among students and parents, as well as school faculty and staff. By viewing this effort as a cooperative endeavor to prepare students for the future, we can ensure its success.

Because the Internet is an unregulated, worldwide channel for communication, information available to our faculty, staff, and students is impossible to control. As employees of an educational facility, it is our shared responsibility to protect the Career Center and our students, as well as all intellectual property and personal information within our control, to the best of our abilities. To this end, Central Nine has established a comprehensive technology infrastructure that includes robust security features. It is crucial, therefore, for all our users to adhere to the guidelines outlined in this Staff Acceptable Use of Technology Agreement ("Use Agreement") and to refrain from attempting to circumvent these established security measures.

CIPA and N-CIPA Compliance

The Children's Internet Protection Act (CIPA) and the Neighborhood Children's Internet Protection Act (N-CIPA) were enacted by Congress to address concerns about children's access to obscene or harmful content over the Internet. Central Nine is committed to providing a safe educational environment for all of our faculty, staff, and students. To this end, and in compliance with these acts, Central Nine has technology protection in place to reasonably block and/or filter Internet access to materials that are considered obscene, constitute child pornography, and/or are otherwise harmful to minors, although it is impossible to monitor all content.

The Career Center also has technology in place to monitor the Internet activity of students while using the System and Network on campus. Students are educated at the beginning of every school year regarding appropriate online behavior. This includes information about access to inappropriate materials on the Internet, interaction with others through electronic mail, social networking websites, chat rooms, and all other forms of direct electronic communications, cyberbullying awareness and response, unauthorized access, including so-called "hacking," and other unlawful online activities, unauthorized disclosure, use, and dissemination of personal information of themselves or fellow students, and measures restricting access to materials harmful to them.

Authorized faculty and staff may request the blocking or filtering technology to be temporarily disabled for conducting approved research or other lawful purposes.

Mandatory Review

Central Nine believes that our faculty and staff have a shared responsibility to the Career Center as well as our students in setting and following the standards by which we all use and access the Internet, System, and Network while on campus. Therefore, every year, Central Nine requires all faculty and staff to review and sign off on their approval of the

guidelines and disclosures outlined in this Use Agreement, as well as all Central Nine Governing Board policies relating to student and staff technology usage.

Faculty and Staff Responsibilities

The use of the Internet, System, and Network is a privilege that offers a wealth of information and resources for education and research. Where it is available, this resource is offered to staff, students, and other patrons at no cost. In order to maintain the privilege, users agree to learn and comply with all of the provisions of this Use Agreement.

A. Acceptable Use

- All use of the Internet, System, and Network must align with the educational objectives of the Career Center, while not interfering with the learning environment or otherwise disrupting the educational process.
- Central Nine email should be used for all Career Center-related electronic communications, including those to students, parents/guardians, and other constituents, fellow faculty or staff members, and vendors or individuals seeking to do business with the Career Center. It is not intended for personal use. Email related to students is considered an educational record and must be maintained and retained in accordance with Central Nine Board Policies 8310 and 8330.
- Proper codes of conduct in electronic communication must be used at all times. Giving out personal information is inappropriate. When using electronic mail, extreme caution must always be taken in revealing any information of a personal nature.
- Network accounts are to be used only by the authorized owner of the account for the authorized purpose.
- All communications and information accessible via the network should be assumed to be private property.
- Exhibit exemplary behavior on the Internet and Network as a representative of Central Nine and the community at large. Use appropriate, non-abusive language at all times, refraining from defamatory remarks or slurs of any kind, bullying or harassment, and the use of obscene or profane speech. Be polite!
- From time to time, the Career Center will make determinations on whether specific uses of the System and Network are consistent with this Use Agreement.

Personal Communication Devices (PCDs)

- Faculty and staff are permitted to use a PCD to access the System and Network, so long as they abide by all guidelines and disclosures outlined in this Use Agreement as well as any applicable Governing Board policies.
- Such use of a PCD may subject the contents of the device and any communications sent or received on the device to disclosure pursuant to applicable Federal, State, and Local Laws.

B. Prohibited Actions

- Using the System or Network for any commercial purposes or personal gain is prohibited. Career Center resources may not be used to endorse or promote any commercial product, service, or enterprise, or for the private gain of friends, relatives, or persons with whom the employee is affiliated, including nonprofit organizations of which the employee is an officer or member, and persons with whom the employee has or seeks employment or business relations.

- Excessive personal use of the System or Network is not permitted.
- No use of the System or Network shall serve to disrupt the use by others. Intentionally damaging, modifying, or abusing the System or Network in any way is strictly prohibited. This includes the creation of private and/or proxy servers for chat rooms, email, or gaming purposes.
- Malicious use of the System or Network to develop programs that harass other users or infiltrate a computer or computing system and/or damage the software components of a computer or computing system is prohibited. Additionally, the introduction of malicious software to the System or Network through user negligence may result in reparations for damages incurred.
- Installing any applications or software, including shareware and freeware, on any part of the System or Network is prohibited unless specifically authorized by the technology team.
- Using the System or Network to access, upload/download, or otherwise distribute inappropriate materials, including any content considered pornographic, obscene, lewd, or sexually explicit, is prohibited.
- Downloading, copying or otherwise duplicating, and/or distributing of copyrighted materials without the specific written permission of the copyright owner is prohibited, except that duplication and/or distribution of materials for educational purposes is permitted when such duplication and/or distribution would fall within the Fair Use Doctrine of the United States Copyright Law (Title 17, USC). This includes the public display of copyrighted materials.
- Establishing Internet or Network connections to live communications, including voice and/or video (relay chat), is prohibited unless specifically authorized by the technology team.
- Follow all Central Nine board policies as well as any Federal, State, and Local laws. This includes gaining unauthorized access to, tampering with, or damaging any part of the System or Network.

Privacy and Confidentiality

- Users are responsible for their own account and any actions performed while logged into the System or Network with that account, whether or not they are present. Protect your password and log off or lock your computer when leaving it unattended.
- Posting personal communications to public forums without prior consent from the original author or creator is not permitted.
- Disclosure of confidential Career Center information is not permitted without approval from administration.
- Disclosure of personal faculty, staff, or student information is not permitted without proper approval or as permitted by Federal, State, and/or Local law.
- Accessing or otherwise using another individual's identity, materials, information, or files without permission is not permitted. Respect the intellectual property rights of others.

Disclaimer

Pursuant to the Electronic Communications Privacy Act of 1986 (18 USC 2510 et seq.), notice is hereby given that there are no facilities provided on the System or Network for sending or receiving private or confidential electronic communications. System administrators have access to all mail and will monitor messages. Messages relating to or in support of illegal activities will be reported to the appropriate authorities.

Central Nine Career Center reserves the right to change its policies and rules at any time.
