3215 --~~USE OF TOBACCO BY PROFESSIONAL STAFF~~ TOBACCO USE PREVENTION

The Board of Managers recognizes that the use of tobacco presents a health hazard that can have serious consequences both for the user and the nonuser and is, therefore, of concern to the Board.

~~For purposes of this policy, "use of tobacco" shall mean all uses of tobacco, including a cigar, cigarette, pipe, snuff, or any other matter or substance that contains tobacco, as well as electronic, "vapor," or other substitute forms of cigarettes.~~ For the purposes of this policy, "tobacco" is defined to include any lighted or unlighted cigarette, cigar, pipe, bidi, clove cigarette, and any other smoking product; spit tobacco, also known as smokeless, dip, chew, nicotine pouch and snuff, in any form; and all electronic nicotine deliver systems (ENDS), such as e-cigarettes and vape and hookah pens.

The use of tobacco products poses health issues for the user, and second-hand smoke is a threat to the personal health of others. In addition, nicotine is a powerfully addictive substance, and the use of tobacco products could lead to nicotine addiction. In order to protect students and staff who choose not to use tobacco from an environment noxious to them, and because the Board cannot, even by ~~indirection~~ indecision, condone the use of tobacco, the Board prohibits the use of tobacco by professional staff members at all times within any facility owned or leased or contracted for by the ~~Board~~ Cooperative.
