

FEBRUARY 2025 HIGH SCHOOL BOARD REPORT

STAFF AND STUDENT SERVICES

Staffing

We are working on hiring an Instructional Assistant. All other positions are filled!

Professional Development

We continued our Mental Health Series by focusing on the topics of "There are only so many hours in the day." The next session will focus on gratitude and how it can change perspective and focus. In addition to our continued focus on mental health, future topics include special education support, and how to improve parental communication.

Dual Credit Registration

Registration for second semester dual credits took place over the last couple of weeks for both Ivy Tech and Vincennes.

Cluster Meetings

Career Cluster Meetings will take place now through spring break. In the meetings, teams will have the opportunity to share progress, voice concerns, and plan for future initiatives.

Registration

We currently have over 1,700 applications submitted for Central Nine programming for next year!

See-Nine Camp

The See-Nine Middle School Camp sessions for Greenwood and Franklin Central were a major hit! Students had the opportunity to engage with activities related to our programs. Feedback has been overwhelmingly positive.

Resume Workshops

Mrs. Teter and Mr. Martin continue to offer resume workshops to programs on campus. This hour-long workshop provides dos and don'ts in resume writing and the process of applying for a job.

Evaluation

Joe Preda and Mike Quaranta continue to work through observations.
