This Month's Highlights

The **Central Nine Adult Education Division** is pleased to announce that beginning Monday, April 9th; we will begin offering GED/COMPASS Fast Track classes Monday-Thursday for current and new ABE students. These fast track classes will provide attending students with intensive instruction that will prepare them for the GED and/or COMPASS Assessments. The classes will be held at Central Nine nightly 5:30pm-8:30pm. Mrs. Connie Dirks (English) and Mrs. Marsha Souder (Math) will co-teach the Fast Track classes. The Adult Education Division will conduct its first round of COMPASS tests during the week of April 16 – 19, 2012.

The **Adult Basic and Continuing Education** Program has already provided services for over 574 students since January 1, 2012. These services have generated over \$98,000 in revenue since December 2011. Since July 1, 2011, over 1,568 adult learners have been provided with services related to GED Testing, GED/ESL classes, GED Practice Testing, Proctoring Services, NCCT Testing, and Adult Continuing Education on-campus and online courses. These services have generated over \$182,000 in revenue to date.

Central Nine's Adult Basic Education Program has provided adult basic education services to over 700 adult learners during the 2011-12 school year. Our GED students will now be able to participate in Central Nine's new online GED preparation class that is scheduled to begin in April. The students will complete the majority of their assignments online and will need to come to campus only when they need to take a post-test or an official GED practice test. Mr. Starks will serve as the teacher for the online GED preparation class.
