This letter serves to acknowledge receipt and review of a grant application from your organization regarding the Department of Workforce Development's (DWD) 2025 Adult Education Grant Competition Request for Application (RFA). A grant solicitation was conducted under the Workforce and Innovation Opportunity Act (WIOA), Title II – Adult Education and Family Literacy Act (AEFLA).

The evaluation of grant applications submitted in response to the RFA has been completed. A review team evaluated all submissions in accordance with the evaluation criteria set forth in the RFA. In accordance with WIOA Title II, the Indiana AEFLA grant solicitation allowed local Workforce Development Boards (WDB) to review all AEFLA applications submitted to DWD to determine whether the applications were consistent with local plans.

As a pass-through entity, Indiana is required to provide notification of DWD's indirect cost rate to AEFLA subrecipients. Indiana's current indirect cost rate for the federal adult education award is 11.30 percent and is subject to change.

Please accept this formal notification as DWD's intent to award an adult education grant to your organization. This is a competitive multi-year grant award, beginning with Program Year (PY) 2025 (July 1, 2025 - June 30, 2026), and ending PY 2029 (July 1, 2029 - June 30, 2030). After the initial year of this multi-year grant award (PY 2024), DWD requires sub-recipients to apply for the renewal of funding through a non-competitive grant continuation RFA for each subsequent year in the grant cycle. Renewals will be contingent on each sub-recipient's ability to successfully implement the terms of the grant, to meet performance expectations, and to provide value to the community. Renewals are also contingent on the reallocation of state and federal funds. DWD reserves the right to hold a new competitive grant competition.

Should any issues arise after an award recommendation letter has been issued, DWD will follow the Indiana Department of Administration (IDOA) Procurement Protest policy.

Thank you for your application and your interest in this grant solicitation.

Sincerely,
Marilyn Pitzulo
