BASE BID TOTAL NET \$15,632.00

Scope of Work:

The above pricing is for the installation of two Pan/Tilt/Zoom surveillance cameras on two new light poles. The location will be in a parking lot not yet developed. The quotation is based upon line of sight.

120VAC will be needed at the camera locations. The power box will be pole mounted. The mount for the cameras, mount directly to the power supply. The power supply will provide power for the camera and the wireless device.

See attached Bill of Material for equipment list.

No Alternates

Indiana state sales tax **NOT** included.

Incoming freight included.

One year standard warranty against defects in material and workmanship included.

This Proposal is valid for thirty-days, thereafter subject to review.

Terms are Net 30 days, subject to credit approval. Retainage is NOT included. Fees associated with obtaining CAD files are NOT included.

Installation is based upon regular business hours of 7:30am to 3:30pm.

Please contact us if you have any questions.

Sincerely,

Fairchild Communication Systems, Inc.
