If these assumptions prove not valid, Cripe Architects + Engineers may request an additional services contract to perform any additional scope of work requested by the Owner.

### **PROPOSAL FEE**

Our fixed fee to complete the above-described scope of services is as follows:

Construction Documents/Drainage Report .....	\$11,200.00
Drainage Report/Water Quality Design .....	\$3,300.00
Approvals .....	\$5,400.00
Construction Administration .....	\$3,800.00
Topographic Survey .....	\$1,500.00
<b>Total .....</b>	<b>\$25,200.00</b>

Costs for advances and other reimbursable expenses including but not limited to, blueprints, photography, equipment charges, courier fees, application fees, review fees, permit fees, and mileage are extra to the fees stated above and will be invoiced under a separate line item.

This proposal is valid for thirty (30) days following submittal. This proposal is only an offer of Cripe Architects + Engineers' scope of services and is not binding on either party until acceptable terms and conditions have been negotiated and agreed upon between both parties.

Thank you for the opportunity to submit this proposal, and we look forward to working with you. If you have any questions, please do not hesitate to contact me at 844-6777.

Sincerely,

**CRIFE ARCHITECTS + ENGINEERS**

Paula J. Gartner, PE, LEED AP  
Professional Services Director, Engineering
