

MEMORANDUM

To: Central Nine Governing Board
From: Dr. Kovach, Executive Director
Date: June 11, 2026
Re: Personnel Recommendations

Resignation(s):

1. Gabriel Wright, Precision Machining Instructor, submitted his resignation effective June 2, 2026.
2. Christy Todd, Resource Instructor, submitted her resignation effective June 30, 2026.

Additional Compensation:

1. It is recommended that Clint Smith, Culinary Instructor and Brian Mendenhall, Culinary Instructor, be compensated for an additional 20 hours worked for Curriculum and Instruction planning during the leave of absence of the other Culinary Instructor. Chef Smith and Chef Mendenhall were originally approved for 20 hours at the February Governing Board but because the medical leave for Heather DeRudder has been extended several times, I am requesting approval of the additional 20 hours not to exceed 60 hours total for the entire medical leave.
