This letter serves to acknowledge receipt and review of a grant application from your organization regarding the Department of Workforce Development's (DWD) 2026 Adult Education Grant Continuation Request for Application (RFA).

The evaluation of grant applications submitted in response to the RFA has been completed.

As a pass-through entity, Indiana is required to provide notification of DWD's indirect cost rate to AEFLA subrecipients. Indiana's current indirect cost rate for the federal adult education award is **11.30 percent** and is subject to change.

After the initial year (PY 2024) of this multi-year grant award, DWD requires sub-recipients to apply for the renewal of funding through a non-competitive grant continuation RFA for each subsequent year in the grant cycle. Renewals will be contingent on each sub-recipient's ability to successfully implement the terms of the grant, to meet performance expectations, and to provide value to the community. Renewals are also contingent on the reallocation of state and federal funds. DWD reserves the right to hold a new competitive grant competition.

Should any issues arise after an award recommendation letter has been issued, DWD will follow the Indiana Department of Administration (IDOA) Procurement Protest policy.

Thank you for your application and your interest in this grant solicitation.

Sincerely,
Lara Pastore
Associate Chief, Talent Development
